OLD BUSINESS:

John S. brought up the topic of PI/CPC work. John, Dawn, Kathy and Stacy met and discussed possible business cards and directories to hand out. The cards will include Alcoholic's Anonymous and the 24-hour hotline number as well as the District website.

Kathy and John will get together to discuss the distribution of workbooks and packages to present to businesses.

Grant L discussed local professional interest in this, and Kathy suggested any distribution be done personally, as to prevent any mishandling.

Rick C. asked question pertaining to PI/CPC Committee's presentation of material without District first seeing then approving release.

It was determined PI/CPC committee has power to compile and distribute any material they deem fit, considering committee is made up of elected officials. District level members should be familiar with all Traditions.

Bill D. discussed meeting with Ad/hoc committee, in attendance were Bill, Bob S. Stacy O. Roger C. and Teddy J.

Bill discussed the importance making sure the events are ready to go, way before the deadline.

As bill stated; "Bring a friend if at all possible! None of us arrived in service without the encouragement of those that were here ahead of us and it's our job to "pass it on"".

Rick C. motioned we start including an agenda concerning Ad/hoc committee information in the meeting minutes, to make sure we are up to date on events.

Motion accepted.

Bill D. suggested we start electing Ad/ hoc committee every December with regular elections.

Roger C. agreed, motion placed and accepted.

Bill stated he would be involved with Ad/hoc committee in 2012.

Stacy O. is in need of volunteers for committees for Spring Workshop in April, we are in need of Speaker's for the event.

Ray H stated everything is in place for CMIA on February 6, 2011.

NEW BUSINESS:

Stacy O. reintroduced our District's need for a DCM. Stacy read the DCM's responsibilities and qualifications, as stated by our District.

Roger C also added the DCM position used to be split into 3 different positions, which could again be a possibility.

Rick C. discussed his experience as DCM and how it relates in our lives and how the position can affect those in the program, individually and as a whole.

Ray H. nominated Pete D. as DCM, Pete accepted nomination, nomination seconded and approved. It was discussed with Pete the importance of the position and how much we appreciate his acceptance.

A big Welcome and Thank You to District 10's new DCM Pete D.

District 10 Treasurer: {edited}

Rick C. presented a list of all important motions passed at District since 2002.

On the same note, Bill D. questioned if District would start contributing to GSO, it was approved by District, to give 5% of everything over Prudent Reserve of \$300.00 in 2006. Motion seems to have slipped through the cracks. It was discussed and decided upon District will donate what was previously passed. This donation will continue quarterly.

Rick C. motioned that District give at least \$50.00 to hosting church for District held events, such as workshops/seminars. It was stated that the District used to do this.

Bill D. suggested that we give not only the \$50.00 but anything else collected in basket as well.
Roger C. seconded and motion accepted.
